Safeguarding - a message from St Mark's Leadership Group

There is an opportunity to serve in the very important role of Safeguarding Coordinator. *This is not a parish-wide role*; it's about handling DBS applications (Disclosure and Barring Service) for St Mark's volunteers, and having good, strong methods of ministry so that we can:

- provide a safe space for all
- handle risk and dangers in a strong way
- reassure visitors and new people that we run a tight ship

We all want to reach out around us with the love of Jesus, and we know that some are more vulnerable than others. This role is a crucial part of how we do that. It's not a role everyone can do, but if you are interested please speak to one of the Leadership Group. Thank you, Revd Chris
